(BB)

You see me playing with my headphones
Didn't see you coming in
Now you got me with my back turned
I don't even know where to begin (I don't even know
where to begin)
So much to tell you, I haven't had the time to work it out
So I'll take this opportunity to lay it all down (Lay it all
down)

(All)

You should know (You should know)
What I know (What I know)
Just can't hold (Just can't hold)
Back no more (Oh)

(Chorus)

So I whisper words I wanna say, I know you'll never hear
it
You know every day I paint the way but never getting
near it
Cause I'm just reminiscing don't listen to my
confessions (Oh my confessions, yeah)

(BB)

When I listen on my headphones
And the rhythms on my mind
I send the lyrics through the air (Yeah)
And the meanings intertwined
Lost in the music, it's the only thing I wanna do
So I'll take this opportunity to tell you the truth (Yeah,
yeah)

(All)

You should know (You should know)
What I know (What I know)
Just can't hold (Just can't hold)

Back no more (Oh)

(Chorus)

So I whisper words I wanna say, I know you'll never hear
it

You know every day I paint the way but never getting
near it

Cause I'm just reminiscing (Reminiscing) don't listen to
my confessions (Oh my confessions, yeah)

(All)

Lay your headphones down (Headphones down) Listen
to my

(Listen to my heart)

You gonna get this, I'm taking to you (I'm talking to
you)

Lay your headphones down, Lets go from the start
You're gonna feel it, I'm confessing to you
