"Intro"

Don't give up on us never ever!

Yeah yeah yeah yeah yeah yeah woooooohh.

Verse 1:

Did you see her, stepping out the ferrari she thinks
she's the life and soul of the party Did u see her
dressed in versace, acting like the bomb but she
lookin' so nasty.

Bridge:

We used to hang together, she used to role with us.

Now she's on another planet she doesn't understand it.

Chorus:

You need to get over yourself, get over yourself come
back down to earth, get over yourself get over
yourself, get out before your hurt.

Verse 2:

Did you see it her picture in the paper, Caught up in the
hypertolic do yourself a favour. don't believe it, get
some sugar from your neighbours, she's gunna' come
down baby sooner or later.

Bridge:

We used to hang together, she used to role with us.

Now she's on another planet she doesn't understand it.

Chorus:

You need to get over yourself, get over yourself come
back down to earth, get over yourself get over
yourself, get out before your hurt.
