Stop breaking your heart  
You're making it hard on you  
Don't drive in reverse  
You ' ve been through the worst  
Put behind you

It's only growing pains don't you know  
The only way to live is letting go

This is a song for  
The broken harted  
The disappointed ones

If you hear me  
Then this one's for you  
Is it really worth holding on to

Stop breaking your heart  
You're making it hard on you  
Don't drive in reverse  
You ' ve been through the worst  
Put behind you

It's only growing pains don't you know  
The only way to live is letting go  
This is a life line  
For hopes that are drowning  
When trust is a sinking store

If you hear me  
Then this one's for you  
Cos it's only a memory you're holding on to

Stop breaking your heart  
You're making it hard on you  
Don't drive in reverse  
You ' ve been through the worst  
Put'll behind you

It's only growing pains don't you know  
The only way to live is letting go

It's only growing pains don't you know  
This is a song for you
