"Just Like Eddie"

Whenever I'm sad, whenever I'm blue
Whenever my troubles are heavy
Beneath the stars I play my guitar
Just like Eddie

Now, troubles may come and troubles may go
But you'll always find me ready
Upon the hill, playing still
Just like Eddie

Whenever you're sad, whenever you're blue
Whenever your troubles are heavy
Beneath the stars you play your guitars
Just like Eddie

Come on everybody!

Now, troubles may come and troubles may go
But you'll always find me ready
Upon the hill, playing still
Just like Eddie

So, whenever you're sad, whenever you're blue
Whenever your troubles are heavy
Beneath the stars you play your guitars
Just like Eddie

Come on everybody!
