Danny:

Now I know where to go,
I'm not following the crowd
But there's so many faces staring at me.

Lauren & Danny:

I'm not going with the flow,
I gotta wave goodbye and say hello,
To unfamiliar circumstances!

Jez:

Oh oh oh,
I'm gonna start believin' in myself.
It's up to me and no-one else.
I'm feelin'!

All: This could be

BB: The start of something

All: I can feel

BB: My heart is jumping

All: Want to walk

BB: But can't stop running

All: I can't stop running!

All: Good to be

Lola: A part of something

All: Once upon a

Lola: Time was nothing

All: This could be

Lola: The start of something

All: This could be the start of something good!

Jez:

I wanna live like every day is the last day, the last day
of my life

I wanna feel like I'm out on a ledge and lovin' myself

I wanna learn to fly, I wanna stand on the edge of the
world

Throw myself off and be happy to fall, yeah

Jez: Why?

Girls: Why?

Jez: Why?
Girls: Why?
Jez: Why?
Girls: Why?
Jez: Don't you even try?
Girls: Try
Jez: Try
Girls: Try
All: To open up your eyes!

Wake Up! Wake Up! Live your life
Wake Up! Wake Up! It'll be all right
When you feel it and you know it
Wanna shout it, wanna show it
Wake Up! Wake Up.

Jez:
Wake up...

All:
(Why!)

Danny:
Is there a gap where you used to fall?
It's like I don't even know you at all
Despite everything we've been through you've
departed

All: I... !
Danny: Feel like something's broken
All: You're blind... !
Danny: Blinded by the lights
All: It's time
Danny: Time time time, for the intervention
There's a missing person

All:
You used to like red and now you like blue
You used to come to us, now you make us come to you
Take a look in to the mirror
Do you recognize the guy who's looking back at you?

Lauren:
It's the same old line and the same old chat
You can't do this, you can't do that
I don't wanna hear it anymore

I see that look that's in your eye
You judge by the cover not what's inside
I don't wanna see it anymore
Hope is coming round

I don't wanna let go
All: I don't wanna let go
Lauren: I'm not lettin' myself down
I don't wanna let go, whoa whoa
All: I don't wanna let go
Lauren" I've come too far to turn around
I don't wanna let go, whoa
'Cos this ain't someone else's dream
I don't wanna let go, whoa
I don't wanna say no, whoa
'Till you've seen the best of me

All:
Na na na na, na na na na
Na na na na, na na na na
Na na na na, na na na na
Na na na na, na na na na

Claudine:
You think you've got it all figured out
You think you're so damn cool what's that all about?
But I've got mine just watch this space
Yeah you just wait

Hold up a mirror you should see yourself
You think you think that you wont stumble like
everybody else
But I got time just watch this space
And you just wait

Lauren & Claudine:
Oh, you just wait
