I'm an overnight sensation,
I'm the darling of the nation,
Turn out to every occasion,
Got my backstage invitation,
Who needs work and dedication
Just give me the adoration
I'm an overnight sensation,
So love me now (love me now x7).

-Instrumental-

Chorus:

I'm an overnight sensation,
I'm the darling of the nation,
Turn out to every occasion,
Got my backstage invitation,
Who needs work and dedication
Just give me the adoration
I'm an overnight sensation,
So love me now (love me now).

She's an overnight sensation,
She's the darling of the nation,
Turns out to every occasion,
Got her backstage invitation,
She's the TV generation
Sends the limo to the station
She's an overnight sensation
So love me now!
