Come all of ye, sing Louis, Louis
Come all of you, sing Louis, Louis
And do you know his name was Lindy
He flew the spirit of St. Louis
Ah!
We'll raise the spirit of St.Louis
If all of you'd sing Louis, Louis
Come all of ye sing
Come all of ye sing
Come all of ye ah sing Louis, Louis
Ah!
And there's a little trouble in the starboard wing
And a number of stuka's are coming in
Are just coming in
Oh Louis, Louis
Hey Louis, Louis
Hey Louis, Louis
Yeah Louis, Louis
Oh
Louis, Louis, Louis, Louis LOUIS
Louis, Louis, Louis, Louis LOUIS
Louis, Louis, Louis, Louis LOUIS
Louis, Louis
