I wanna live like everyday
Is the last day, the last day of my life.
I wanna feel like I'm out on a ledge,
And I'm lovin' myself,
I wanna learn to fly.
I wanna stand on the edge of the world,
Throw myself off and be happy to fall.
Yeah

Why (why), why (why), why (why),
Don't you even try (try), try (try)
To open up your eyes!

Wake up! Wake up, live your life,
Wake up! Wake up, it'll be alright.
When you feel it, and you know it
Wanna shout it, wanna show it.
Wake up! Wake up! Wake up!

I wanna feel like I'm running away,
And I can't stop, 'till I'm where I wanna be.
I wanna hurt, yeah, I wanna be scared,
I'll be freaking out, but that's alright with me.
I'll take a breath, like the world is out of oxygen,
And I'll use it just to laugh/why.

Why (why), why (why), why (why),
Don't you even try (try), try (try)
To open up your eyes!

Wake up! Wake up, live your life,
Wake up! Wake up, it'll be alright.
When you feel it, and you know it
Wanna shout it, wanna show it.
When you feel it, and you know it
Wanna shout it, wanna show it.
Wake up! Wake up! And live...
YOUR LIFE!
