Do you taste it do you feel what i feel  
I feel it coming and is also near  
You got me breathin like an animal  
All beside is ..until you™ re here

Pre Chorus:

Every little time you touch my ..i wanna cry  
Every little touch you take me deeper in my mind  
Every little thing you do i swear i™ m on the ride  
You got me hypnotized, you got me hypnotized

Chorus:

911 i™ ll call you when i™ m feeling ..  
911, baby boy come get right on me  
911 put this fire out i™ m burning  
Up up up, 911.

Do you know just what you do to me  
All i need and know it™ s criminal  
Close my eyes and you™ re undressing me

Pre Chorus:

Every little time you touch my ..i wanna cry  
Every little touch you take me deeper in my mind  
Every little thing you do i swear i™ m on the ride  
You got me hypnotized, you got me hypnotized

911 i™ ll call you when i™ m feeling ..  
911, baby boy come get right on me  
911 put this fire out i™ m burning  
Up up up, 911.

Six in .. when you felt so automatic  
Felt exposed when you had it  
When you all over me
