I never promised you a happy ending  
you never said you wouldn't make me cry  
but summer love will keep us warm long after our  
Autumm goodbye,autumm goodbye,autumm goodbye

Thinking of you and the love of our lives  
in the sweet summer time  
So sad but true(so true,so true)  
we must lieve it behind, in our hearts in our minds

from April through September  
bitter sweet was the love that we shared  
don't forget I remember...

I never promised you a happy ending  
(you never said)you never said you wouldn't make me  
cry  
(but summer love)but summer love will keep us warm  
long after  
our Autumm goodbye,autumm goodbye,autumm  
goodbye...

I never promised you a happy ending  
(you never said)you never said you wouldn't make me  
cry  
(but summer love) but summer love will keep us warm  
long after  
our autumm goodbye,autumm goodbye.autumm  
goodbye...

memories can fade(they can fade)  
but my heart has a place  
for that smile on your face(on your face)  
and maybe someday(someday)  
we can be more then friends love will find us again

red days and blue tomorrows  
time will give back the love that we shared

and the time that we barrowed

I never promised you a happy ending

(you never said)you never said you wouldn't make me  
cry  
(but summer love)but summer love will keep us warm  
long after  
our autumm goodbye,autumm goodbye,autumm  
goodbye

I never promised you a happy ending  
(you never said)you never said you woldn't make me  
cry  
but summer love will keep us warm long after  
our autumm goodbye,autumm goodbye,autumm  
goodbye..

we'll leave behind  
the summer time  
our hearts,our minds  
they will remind  
we won't forget  
the day we met  
the day we cried  
Autumm goodbye

I never promisewd you a happy ending  
(you never said)you never said you wouldn't make me  
cry  
(but summer love)but summer love will keep us warm  
long after  
our autumm goodbye,autumm goodbye,autumm

I never promised you a happy ending  
(yuo never said)you never said you wouldn't make me
