My name is Stephanie. . .

The central seductress. . .

The enchanting mystery. . .

Miss Britney Spears

[Britney:]

Yeah

I'm about to break it down right here

Turn me up just a little, turn me up

Uh

Oh baby baby

How was I supposed to know

That somethin' wasn't right? Uh

Oh baby baby

I shouldn't have let you go, uh

'Cause now you're outta sight

Show me

How you want it to be

Tell me baby

I need to know, know

My loneliness

Is killin' me, oh

I must confess, uh

(I still believe)

Oh. . .

[Club Owner:]

Good Evening ladies and gentlemen. . .

And Welcome to the Onyx Hotel. . .

Feel free to grab a lil' something at the bar

It's On Us

[Britney:]

Oh Baby Baby,

The reason I breathe is you, Uh, Hey

Now, boy you got me blinded, Huh
Oh Baby Baby-ay,
There is nothing
That I would not do, No
And now you're out of sight

Show me
How you want it to be
Tell me baby
I need to know, know

My loneliness
Is killin' me, oh
And I must confess
(I still believe)
Oh. . .
