-Britney. Britney... Britney Spears...?

-Here. No here!

My loneliness is killing me
Hit me baby one more time!

-Right now I'd like to introduce you some friends of mine.

Oh baby baby,
How was I supposed, to know, yeah, yeah
That something wasn't right here
Oh baby baby,
I shouldn't have let, you go no, no, no, no
Hit me babe, me babe
Stop - D.J.
My loneliness is killing me
and I,
I must confess I still believe,
still believe,
When I'm not with you I lose my mind
Give me a sign
Hit me baby one more time!

Oh baby of mine yeah
Oh baby oh yeah yeah

Hit me baby one more time!

It's tearing up my heart when I'm with you
But when we are apart I feel it too
And don't matter where I am I feel the pain
With or without you

Baby I don't understand
Why we can't be lovers
Things are getting out of hand
Trying too much
But baby we can win

Let it go

If you want me babe let me know
I am down on my knees
I can't take it anymore

It's tearing up my heart when I'm with you
But when we are apart I feel it too
And don't matter where I am I feel the pain
With or without you
