"Bad Dreams"

Everybody wants me
I can't hold this feeling
Anymore
I feel like there's
Someone around
Always searching something

Pre-chorus:
Like The Beatles I need help
And I want someone with me
That is going to save me

Chorus:
I can't take this anymore
Baby
Just save me
From this nightmare
Everything

Is not that easy for me
And that's why I need you
Baby!

All those young boys looking for me
Searching for
The Christmas scoop
Sometimes in my room
I feel observed
By you baby
And by peoples around

Pre-chorus X2

Chorus
