Who's she  
Blowing kisses from the catwalk  
Tell me  
I really gotta - know!

Since when  
Did you need another girlfriend?  
Since when?  
I really gotta - know!

She's been fakin' since day one  
A friendly kiss includes no tongue  
Who's she - Tell me  
Now she's sleeping in my bed  
Oh God I wish that she was dead  
I need to know - who's the Bimbo?

Who's she  
Looking goofy in a Gucci-dress  
What's that  
I really gotta - know!

Wich bone  
In her body should I break first?  
Wich one?  
The Bimbo's gotta - go!

I know - it's sad  
Sometimes I just lose my head  
Boy I am getting so mad
