[Verse 1]

I'm sitting here alone up in my room  
And thinking about the times that weve been through  
(oh my love)  
Im looking at a picture in my hand  
Trying my best to understand  
I really want to know what we did wrong  
With a love that felt so strong  
If only you were here tonight  
I know we can make it right

[Chorus]

I don't know how to live without your love  
I was born to make you happy  
Cause your the only thing within my heart  
I was born to make you happy  
Always and forever you and me  
That's the way my life should be  
I don't know how to live without your love  
I was born to make you happy

[Verse 2]

I know Ive been a fool since youve been gone  
I'd better give it up and carry on (oh my love)  
Cause living in a dream of you and me  
Is not the way my life should be  
I don't want to cry a tear for you  
So forgive me if I do  
If only you were here tonight  
I know that we can make it right

[Chorus]

I don't know how to live without your love  
I was born to make you happy  
Cause your the only thing within my heart  
I was born to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born to make you happy

[Bridge]

I'd do anything  
I'd give you my world  
I'd wait forever  
To be your girl  
Just call out my name  
And I will be there  
Just to show you how much I care  
Alright  
(Ooh)  
Ooh yeah  
(Ah)  
Ooh yeah  
(Ooh)  
Oh yeah

[Chorus]

I don't know how to live without your love  
I was born to make you happy  
Cause your the only one within my heart  
I was born to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born to make you happy  
I don't know how to live without your love  
I was born to make you happy  
Cause your the only thing within my heart  
I was born to make you happy  
Always and forever you and me  
That's the way our life should be  
I don't know how to live without your love  
I was born to make you happy
