-Spoken

For whatever reason
I feel like I've been wanting you all my life
You don't understand
I'm so glad we're at the same place at the same time
It's over now

-Britney

I spotted you dancin'
You made all the girls stare
Those lips and your brown eyes
And your sexy hair
I should shake my thing
And make the world want you
Tell your boys you'll be back
I wanna see what you can do

Uh

What would it take for you to just leave with me?
Not tryin' to sound conceited
But me and you were meant to be
You're a sexy guy
I'm a nice girl
Let's turn this dance floor into our own little nasty world

Boys
Sometimes a girl just needs one
(You know I need you)
Boys
To love her and to hold
(I just want you to touch me)
Boys
And when a girl is with one
(mmm mmm)
Boys
Then she's in control
(yea)

-Pharell

Hey, yo

Pull the girl off the dance floor
Whisper in her ear
Musta said somethin 'bout me
'Cause now she's lookin' ova here

You keep lookin' at me
Wit that sexy attitude
Wit the way the girl is movin' it
Ow
It puts me in the mood
Ow

What would it take for you to just leave wit me
Not tryin' to sound conceited but me and you was
destiny
I'm from N-E-R-D
Aren't you Britney?
Let's turn this dance floor into our own little nasty thing
(Get Nasty)

Girls
I can't speak for no one
(Get Nasty)
Girls
When I need them all the time
(Get Nasty)
Girls
I don't know 'bout your girl
(Get Nasty)

But I know she ain't
