Oh it's so hot and I need some air
And boy, don't stop cause I'm halfway there
Its not complicated, we're just syncopated
We can read each others minds
One love united
Two bodies synchronizing
Don't even need to touch me

Baby just, breathe on me
Baby just, breathe on me
We don't need to touch
Just breathe

Oh this is way beyond the physical
And tonight my senses don't make sense at all
Our imagination taking us to places
We've never been before
Take me in, let it out
Don't even have to touch me, baby just

Baby just, breathe on me
Baby just, breathe on me
We don't need to touch
Just breathe

Baby just, breathe on me
Baby just, breathe on me
We don't need to touch
Just breathe

Monogamy is the way to go
Just put your lips together and blow
Breathe on me

Baby just, breathe on me
Baby just, breathe on me
We don't need to touch
Just breathe

Baby just, breathe on me
Baby just, breathe on me

We don't need to touch
Just breathe
Just
