[Britney Spears]

I'm on fire!

Don't put me off 'cause I'm on fire  
And I can't quench my desire  
Don't you know that I'm burning up for your love  
You're not convinced that that is enough  
I put myself in this position  
And I deserve the imposition  
But you don't even know I'm alive  
And this pounding in my heart just won't die  
I'm burning up

[Chorus]

I'm burning up, burning up for your love  
I'm burning up, burning up for your love  
I'm burning up, burning up for your love  
For your love

You're always closing your door  
Well that only makes me want you more  
And day and night I cry for your love  
You're not convinced that that is enough  
To justify my wanting you  
Now tell me what you want me to do  
I'm not blind and I know  
That you want to want me but you can't let go  
Come on, let go

[Chorus]

I'm burning up, burning up for your love  
I'm burning up, burning up for your love  
I'm burning up, burning up for your love

For your love

Oh!

[Bridge]

Do you wanna see me down on my knees?  
Or bending over backwards now would you be  
pleased?  
Unlike the others I'd do anything  
I'm not the same, I have no shame  
I'm on fire!  
I'm on fire!

Come on, let go

Do you wanna see me down on my knees?  
Or bending over backwards now would you be  
pleased?  
Unlike the others I'd do anything  
I'm not the same, I have no shame  
I'm on fire!

[Burning up for your love]  
Ooo, yeah, I'm burning up [Burning up for your love]  
Ooo, yeah, I'm burning up [Burning up for your love]  
Come on, come on, I'm burning up [Burning up for your  
love]  
Uh, uh, uh, I'm burning up [Burning up for your love]  
Ooo, yeah, I'm burning up [Burning up for your love]  
Come on, come on, I'm burning up [Burning up for your  
love]  
Ooo, yeah, I'm burning up [Burning up for your love]  
Uh, uh, uh [Burning up for your love]

You know you got me burning up, baby [Burning up for  
your love]  
You know you got me burning up, baby [Burning up for  
your love]

Burning up for your love [Burning up for your love]  
Burning up for your love [Burning up for your love]
