Oh, I want you for the rest of my life

Verse 1:

Walking through time  
Looking for an answer  
How can it be this way?  
What have I done?  
I just can't help but wonder  
How everything could change

Bridge:

Cause you've turned my world around  
Since you came along, know  
After this love is found  
It seems like we can't go wrong

Chorus:

Deep in my heart I know theres only you  
And right from the start I always knew  
I'll never let go, cause I love you so  
Oh, I want you for the rest of my life  
(uh huh)  
(oh yeah)

Verse 2:

Some people search  
What seems to be a lifetime  
To find a love like this (oh yeah)  
And here we are  
With everything we've wished for  
I've never felt such bliss (oh no)

Bridge:

Cause you've turned my world around  
Since you came along  
After this love is found  
It seems like we can't go wrong

Chorus:

Deep in my heart I know theres only you  
And right from the start I always knew  
I'll never let go, cause I love you so

Oh, I want you for the rest of my life  
(oh yeah)  
(uh huh)

Verse 3:

There comes a chance  
In everyone's life  
And I believe it wont happen twice  
Now since I've felt the glory of love  
I wanna spend forever  
And ever with you

Chorus:

Deep in my heart I know theres only you (only you)  
And right from the start I always knew  
I'll never let go, cause I love you so (I love you so)  
Oh, I want you for the rest of my life

Deep in my heart I know theres only you (only you, only  
you, oh oh)  
And right from the start I always knew  
I'll never let go, cause I love you so (oh oh, I want you in  
my life)  
Deep in my heart  
Deep in my heart

Oh, I want you for the rest of my life  
I want your love forever

Oh, I want you for the rest of my life
