Do you feel this

I know you feel this

Are you ready

I dont think so

[intro]

Somebody give me my truck

So I can ride on the clouds

So I can turn up the bass like

Somebody pass my guitar

So I can look like a star

And spend this cash like

What cha gonna do when the crowd goes ayo?

Why you standing on the wall?

Music's startin everywhere

So why dont you just move along

[chorus]

I see you looking at me

Like i'm some kind of freak

Get up outta your seat

Why dont you do somethin'?

I see you looking at me

Like I got what you need
Get up outta your seat
Why dont you do somethin'?
now your all in my grill
'cause i say what i feel
only rock to whats real
baby bump bump
but i cant do that with you
only here with my crew
you can roll if you can
don't be a punk punk
what cha gonna do
when the crowd goes ayo?
why you standin on the wall?
music startin everywhere
so why don't you just move along?

[chorus]

I see your looking at me
like im some kind of freak
get up outta your seat
why dont you do somethin'?
na na na na na na na na na na
uh huh
na na na na na na na na na na
I see you looking over here
can't you tell im having fun

if you know like I know
you would stop!
Starin at us
(wow!)
get your own space
and do somethin'
I see you looking at me
Like i'm some kind of freak (Fuck!)
Get up outta your seat
Why dont you do somethin'?
I see you looking at me
Like I got what you need
Get up outta your seat
Why dont you do somethin'?x2
Fuck!
do somethin'
ow!
why don't you do somethin'
