Don't knock at my door
Don't knock at my door

Time is up
No more cheatin nights
No more tears to dry
You and I we're like so Bye~Bye
Finally, I am over you
Totally unblue when I can hear myself saying,
"I am better off without you. Stronger than ever
and I, I'm telling you now."

Chorus:
Don't go knocking on my door
Gotta stay away for sure
You say you miss me like crazy now
but I ain't buyin that, you'd better get off my back
don't go knocking on my...door

I can see
It's no mystery
It's so clear to me
What we had is all history
It's ok, I don't sleep at night
It will be alright
I can hear myself saying, "I am better off without you.
Stronger than ever and I, I'm telling you now."

Chorus 2x

Don't knock at my door
Don't knock at my door
Don't knock at my door
Do what you want, as long as you don't come back

Chorus 3x
