Early morning
Great
I was a little late last night
Got a little messy
I can't be like that anymore (early morning)
Uh - no

CHORUS

I was shakin my ass in the street til mornin
Just walked in an it's early mornin - uh!
Bump bump to the break of dawn
And it don't stop til the early mornin
Passed out on the couch I'm yawnin
Just walked in an it's early mornin - let's start again
Bump bump to the break of dawn
And it don't stop til the early mornin

Met a dark dude, kinda dark hair
When he walked up
Tony grabbed him
But I liked him
I told him "come here
Kinda cool
Baby, we can make plans
Where you live?
Do ya mamma live there?
We can hook up at the hotel"
He was down so I told him "let's go"
What happened - guess what, you don't wanna know

CHORUS

I was shakin my ass in the street til mornin
Just walked in n it's early mornin
Bump bump to the break of dawn
And it don't stop til the early mornin
Passed out on the couch i'm yawnin
Just walked in n it's early mornin - let's start again
Bump bump to the break of dawn
And it don't stop til the early mornin

I went out with girl Jen
And we called up gabe and his friends

He was talkin bout hittin up Show
So I said "what the hell? - let's go!"
Got up n got on the dance floor
Hooked up with a guy named Joe
When the music was fast danced slow
What happened next -guess what? you don't wanna
know

CHORUS

I was shakin my ass in the street til mornin
Just walked in n it's early mornin
Bump bump to the break of dawn
And it don't stop til the early mornin
Passed out on the couch i'm yawnin
Just walked in n it's early mornin
Bump bump the break of dawn
And it don't stop til the early mornin

Call all your boys
Call all your girls
Call all your friends
Let's do it again!
Let's do it again!
Early mornin

I light your fire,
Your one desire
Pull on me baby
And I'll take you higher
You should try it
So come over here
And let's go so....

CHORUS

I was shakin my ass in the street til mornin
Just walked in n it's early mornin
Bump bump to the break of dawn
And it don't stop til the early mornin
Passed out on the couch i'm yawnin
Just walked in n it's early mornin
Bump bump the break of dawn
And it don't stop til the early mornin

Call all your boys
Call all your girls
Call all your friends
Let's do it again!
Let's do it a...
Early mornin
Early mornin.
