Come notice me and take my hand
So why are we strangers when our love is strong
Why carry on without me?
And every time I try to fly I fall without my wings

I feel so small, I guess I need you baby
And every time I see you in my dreams
I see your face, it's haunting me
I guess I need you baby

I make believe that you are here
It's the only way I see clear
What have I done you seem to move on easy
And every time I try to fly, I fall without my wings

I feel so small, I guess I need you baby
And every time I see you in my dreams
I see your face, you're haunting me
I guess I need you baby

I may have made it rain
Please forgive me
My weakness caused you pain
And this song is my sorry

Oh, at night I pray
That soon your face will fade away
And every time I try to fly
I fall without my wings

I feel so small, I guess I need you baby
And every time I see you in my dreams
I see your face, you're haunting me
I guess I need you baby
