Notice me take my hand
Why are we strangers when
Our love is strong
Why carry on without me?

Everytime I try to fly I fall without my wings
I feel so small, I guess I need you baby
And everytime I see you in my dreams, I see your face
You're haunting me, I guess I need you baby

I make believe that you are here
It's the only way I see clear
What have I done
You seem to move on easy

Everytime I try to fly I fall without my wings
I feel so small, I guess I need you baby
And everytime I see you in my dreams, I see your face
You're haunting me, I guess I need you baby

I may have made it rain
Please forgive me
My weakness caused you pain
And this song is my sorry

At night I pray that soon
Your face will fade away

Everytime I try to fly I fall without my wings
I feel so small, I guess I need you baby
And everytime I see you in my dreams, I see your face
You're haunting me, I guess I need you baby
