Come notice me and take my hand
So why are we strangers
When our love is strong?
Why carry on without me?

And everytime, I try to fly
I fall without my wings
I feel so small
I guess, I need you baby

And everytime, I see you in my dreams
I see your face
It's haunting me
I guess, I need you baby

I make believe that you are here
It's the only way, I see clear
What have I done?
You seem to move on easy

And everytime, I try to fly
I fall without my wings
I feel so small
I guess, I need you baby

And everytime, I see you in my dreams
I see your face
You're haunting me
I guess, I need you baby

I may have made it rain
Please forgive me
My weakness caused you pain
And this song is my sorry

Ohh
At night I pray
That soon your face
Will fade away

And everytime, I try to fly
I fall without my wings

I feel so small
I guess, I need you baby

And everytime, I see you in my dreams
I see your face
You're haunting me
I guess, I need you baby
