Notice me, take my hand  
Why are we strangers when  
Our love is strong?  
Why carry on without me?

And everytime I try to fly, I fall  
Without my wings, I feel so small  
I guess I need you, baby

And everytime I see you in my dreams  
I see your face, it's haunting me  
I guess I need you, baby

I make believe that you are here  
It's the only way, I see clear  
What have I done?  
You seem to move on easy

And everytime I try to fly, I fall  
Without my wings, I feel so small  
I guess I need you, baby

And everytime I try, you're in my dreams  
I see your face, you're haunting me  
I guess I need you, baby

I may have made it rain  
Please forgive me  
My weakness caused you pain  
And this song's my sorry

At night, I pray  
That soon your face will fade away

And everytime I try to fly, I fall  
Without my wings, I feel so small  
I guess I need you, baby

And everytime I see, you're in my dreams  
I see your face, you're haunting me  
I guess I need you, baby

And everytime I try to fly, I fall  
Without my wings, I feel so small  
I guess I need you, baby

And everytime I see, you're in my dreams  
I see your face, you're haunting me  
I guess I need you, baby
