The way you smile
The way you taste
You know I have an appetite
For sexy things
All you do is look at me
It's a disgrace
What's runnin' through my mind is you
Up in my face, yeah
Your voice is like music to my ears
Whisper softly and the world just disappears
Take me higher and just wipe away my fears
When you're with me
Oh boy, it's my heartbeat that I hear
Ooh, ooh baby
Touch me and I come alive
I can feel you on my lips
I can feel you deep inside
Ooh, ooh baby
In your arms I finally breathe
Wrap me up in all your love
That's the oxygen I need, yeah

You're fillin' me up

You're fillin' me up

You're fillin' me up

You're fillin' me up

You're fillin' me up

You're fillin' me up with your love

The more you move

The more I tense

It's like you got me hypnotized

I'm in a trance

Your jersey fits

It's right at home, between my hands

And now I hope you know

That I'm your biggest fan

Yeah, yeah

Your voice is like music to my ears

Whisper softly and the world just disappears

Take me higher and just wipe away my fears

When you're with me

Oh boy, it's my heartbeat that I hear

Ooh, ooh baby

Touch me and I come alive

I can feel you on my lips

I can feel you deep inside

Ooh, ooh baby

In your arms I finally breathe

Wrap me up in all your love

That's the oxygen I need, yeah

You're fillin' me up

You're fillin' me up

You're fillin' me up

You're fillin' me up

You're fillin' me up

You're fillin' me up with your love

You got something that I really want and

Come here, we don't even have to talk and

Lay back and let me tell you what I'm thinkin'

Cause I like you

Cause I like you

Baby, baby, baby, baby, baby

Baby, baby, baby, baby, baby

Baby, baby, baby, baby, baby

Baby, baby, baby, baby, baby

Baby, baby, baby, baby, baby

Ooh, ooh baby

Touch me and I come alive

I can feel you on my lips

I can feel you deep inside

Ooh, ooh baby

In your arms I finally breathe

Wrap me up in all your love

That's the oxygen I need, yeah

Ooh, ooh baby

Touch me and I come alive

I can feel you on my lips

I can feel you deep inside

Ooh, ooh baby

In your arms I finally breathe

Wrap me up in all your love

That's the oxygen I need, yeah

Baby, baby, baby, baby, baby

Baby, baby, baby, baby, baby

Baby, baby, baby, baby, baby

Baby, baby, baby, baby, baby

Baby, baby, baby, baby, baby
