Nothing seems to be the way that it used to  
Everything seems shallow, God give me truth, in me  
And tell me somebody's watching over me  
And that is all I'm praying's that

Someday I will understand in God's own plan  
And what he's done to me  
Oh, but maybe someday I will breathe  
And I'll finally see, I'll see it all in my baby

Don't you run too fast my dear, why don't you stop?  
Just stop and listen to your tears they're all you've got  
It's in you, you see somebody's watching over you  
And that is all I'm praying's that

Someday you will understand in God's whole plan  
And what he does to you  
Oh, but maybe someday you will breathe  
And you'll finally see, you'll see it all in your baby  
You'll see it all in your baby

No moment, will be more true  
Then the moment I look at you  
It's in you, you see somebody's watching over you  
And that is all I'm praying's that

Someday you will understand in God's whole plan  
And what he does to you  
Oh, but maybe someday you will breathe  
And you'll finally see, you'll see it all in your baby  
You'll see it all in your baby, you'll see it all in your baby  
You'll see it all in your baby
