Theres a girl in my mirror
I wonder who she is
Sometimes I think I know her
Sometimes I really wish I did
Theres a story in her eyes
Lullabys and goodbyes
when shes lookin back at me
I can tell her heart is broken easily

Cause the girl in my mirror
Is crying tonight
And theres nothing I can tell her
to make her feel alright
Oh the girl in my mirror
is crying cause of you
and I wish there was something
something I could do

If I could
I would tell her
not to be afraid
The pain that she's feeling
the sense of loneliness will fade
So dry your tears and rest assured
Love will find you like before
when she's looking back at me
I know that nothin really works that easily

cause the girl in my mirror
is crying tonight
and theres nothin I can tell her
to make her feel alright
oh the girl in my mirror
is crying cause of you
and I wish there was something
I wish there was something
oh I wish thtere was something I could do

I cant belive it but I see it
that the girl in the mirror
the girl in the mirror

Is me

I cant belive what I see

Cause the girl in my mirror
Is crying in deny
and theres nothing I can tell her
to make her feel alright
Oh the girl in my mirror
Is crying cause of you
and I wish there was something
I wish there was somthing
Oh I wish there was something I could do
