are we ready
are we ready, ready (yes)
are we ready, are we
are we ready, ready

uh huh

my body feels like an inferno
like i'm in a race and i'm taking a hurdle
come closer we'll pursue it, baby just let go we can do it
baby i'm yours for the taking, bet you wanna see my
body naked
i know that you like the way i shake it, and i hope that
you can take it

your the perfect lover, i'm in love with all the things you
do
so seductive how you touch me, i can't get enough of
you
you're the best, baby you got me obsessed, and i can't
catch my breath

baby i must confess you got me (high) . when you come
around
and i'm so damn high, can't come down
everytime you touch me there
you make me feel so hot ...

i love it, everything you do is so seductive,
you got that thing that i want, and then some
and i can't even front, so listen,
i know what you're missing,
better hurry up cause time is ticking, tick tock, tick tock
come and get me while i'm hot

you're the perfect lover, i'm in love with all the things
you do
so seductive how you touch me, i can't get enough of
you
you're the best, baby you got me obsessed, and i can't
catch my breath

baby i must confess you got me (high) .. when you
come around
and i'm so damn high, can't come down
(ooh) everytime you touch me there
you make me feel so hot ...

pull up to my bumper, need a jump not a chump, and
another man alone(?)
let me drive you crazy all night, cause we've got so far
to go
pull up to my bumper, need a jump not a chump, and
another man alone(?)
let me drive you crazy all night, cause we've got so far
to go

you're the perfect lover, i'm in love with all the things
you do
so seductive how you touch me, i can't get enough of
you
you're the best, baby you got me obsessed, and i can't
catch my breath

baby i must confess you got me (high)
when you come around
and i'm so damn high, can't come down
(ooh) everytime you touch me there
