Baby, I'm Lying all alone,
the pillow is all i have to hold,
i cant feel u, God it isnt fair,
with out you, i so wanna take u there

(Chorus)

Dont hang up, its just gettin serious now
ur making me delerious
Dont hang up
till ive finished with you
im not alone

im not alone, i am not alone
i can still feel you
even when im lonely, and now im coming to
x2

Tell me, tell me what you see
feel me, feel me on my knee
slowly we began to breathe
hold on, holdon to your beliefs

Chorus

Your far away, well we'll find a way
o baby, now lets make it right
close your eyes

Chorus

Dont hang up

do you feel it too?
close your eyes
