People, telling me that everything
Will be okay
But i won't listen
In my mind, only i,
can feel the pain
The love i'm missing

They try, to trick me
they try to move me on
I lie, don't miss it
But inside my world is faling down

Have you ever been loved?
Have you ever been hurt?
have you ever had a secret
that you felt could change the wold?
Did you ever cry?
Do you ever think
That nothing, nowhere, no hows gonna
Be the way it should

And so you cry, and though you cry
You still can't find a love, that can conform
To who you are
And when it hurts, it really hurts
But still you gotta find the strenght,
That makes it so unfair

Have you ever been loved?
Have you ever been hurt?
have you ever had a secret
that you felt could change the wold?
Did you ever cry?
Do you ever think
That nothing, nowhere, no hows gonna
Be the way it should

Do you feel let down,
When it won't work out?
Do you try your best to
Let it pass you by

yeah, yeah, yeah

na, na, na, na

so, have you ever been loved?
Have you ever been hurt?
have you ever had a secret
that you felt could change the world?
Did you ever cry?
Do you ever think
That nothing, nowhere, no hows gonna
Be the way it should
