I'm touching hands with someone seriously beautiful
(eh ah eh eh)
I feel it burning and I know I'm standing far too close
(eh ah eh eh)
I'm telling lies and if it shows I see that he don't care
(eh ah eh eh)
I know he wants to take me home and get on out of
here (eh ah eh eh)

I got someone, waiting at home
He says he in love, but lately I just don't know
He don't see me, or make me feel hot
Banging in the club with all my ladies

And he don't know that

He about to lose 'bout to lose 'bout to lose me
He about to lose me (eh eh)
He about to lose 'bout to lose 'bout to lose me
He about to lose me (eh eh eh)
Eh eh eh
Eh eh

I feel my body losing focus as he touches me (eh ah eh eh)
And I should go but I can't overcome this chemistry (eh ah eh eh)
He pulls me close before he whispers something in my ear (eh ah eh eh)
He says he wants to take me home and get me out of here (eh ah eh eh)

I got someone, waiting at home
He says he in love, but lately I just don't know
He don't see me, or make me feel hot
Banging in the club with all my ladies

And he don't know that

He about to lose 'bout to lose 'bout to lose me
He about to lose me (eh eh)
He about to lose 'bout to lose 'bout to lose me

He about to lose me (eh eh eh)
Eh eh eh
Eh eh

Someone at the bar keeps
Looking at us dancing
I see him staring at me
I see where he wants to be
Someone at the bar keeps
Looking at us dancing
I gotta I gotta go

He don't know that

He about to lose 'bout to lose 'bout to lose me
He about to lose me (eh eh)
He about to lose 'bout to lose 'bout to lose me
He about to lose me (eh eh eh)
He about to lose 'bout to lose 'bout to lose me
He about to lose me (eh eh)
He about to lose 'bout to lose 'bout to lose me
He about to lose me (eh eh eh)

I'm touching hands with someone seriously beautiful
