Hey, over there, please forgive me
If I'm coming on too strong
Here to stare, but you're winning
And they play my favorite song
So come near, little closer
Wanna whisper in your ear
Say it clear, little question
Wanna know just how you feel
(Chorus)
If I said my heart was beating loud
If we could escape the crowd somehow
If I said I want your body now
Would you hold it against me?
Cuz you feel like paradise
And I need a vacation tonight
So if I said I want your body now
Would you hold it against me?
Hey, you might think, that I'm crazy
But I think you're just my type

I might be, little hazy
But you just cannot deny
There's a spark in between us
When we're dancing on the floor
I want more, wanna see it
So I'm asking you tonight
(Chorus)
If I said my heart was beating loud
If we could escape the crowd somehow
If I said I want your body now
Would you hold it against me?
Cuz you feel like paradise
And I need a vacation tonight
So if I said I want your body now
Would you hold it against me?
