### VERSE 1

Burn it all down  
Wanna buy another round  
Gonna light up in the sound, of the speakerrrr!

Show your knee socks  
drink tequila on the rocks  
til you make your body pops  
to the speakerrrrrr

Burn it all down  
Wanna buy another round  
Gonna light up in the sound, of the speakerrrr!

Show your knee socks  
drink tequila on the rocks  
til you make your body pops  
to the speakerrrrrr

### CHORUS

(i wanna go)  
back down town where my posse's at  
(because i got)  
nine lives like a kitty cat

(uh, you wanna roll)  
(that's how i roll)

(i wanna go)  
bling bling when I hear that bass  
(i'm gonna do)  
my thing if you want a taste

(uh, you better know)  
(uh, thats how i roll)

## VERSE 2

feel the earth quake  
gonna make your body shake  
til the circuits start to break  
in the speakerrrrr

can we get fly  
helicopter in the sky  
cause we turn it up high in the speaker

if you know what it takes to be my man  
we can go make love together  
you can be my thug tonight  
we can tear it up tonight

i wanna go)  
back down town where my posse's at  
(because i got)  
nine lives like a kitty cat

(uh, you wanna roll)  
(that's how i roll)

(i wanna go)  
bling bling when I hear that bass  
(i'm gonna do)  
my thing if you want a taste

(uh, you better know)  
(uh, thats how i roll)
