I'm sitting here alone up in my room
And thinking about the times that we've been through,
oh my love
I'm looking at a picture in my hand
Trying my best to understand
I really wanna know what we did wrong
With a love that felt so strong

If only you were here tonight
I know that we could make it right

I don't know how to live without your love
I was born to make you happy
'Cause you're the only one within my heart
I was born to make you happy
Always and forever you and me
That's the way our life should be
I don't know how to live without your love
I was born to make you happy

I know I've been a fool since you've been gone
I'd better give it up and carry on, oh my love
'Cause living in a dream of you and me
Is not the way my life should be
I don't wanna cry a tear for you
So forgive me if I do

If only you were here tonight
I know that we could make it right

I don't know how to live without your love
I was born to make you happy
'Cause you're the only one within my heart
I was born to make you happy
Always and forever you and me
That's the way our life should be
I don't know how to live without your love
I was born to make you happy

I'd do anything, I'd give you my world
I'd wait forever, to be your girl
Just call out my name and I will be there

Just to show you, how much I care

Oh yeah, yeah, yeah
I was born to make you happy
Yeah, yeah, yeah, uh
Oh yeah, yeah, yeah

I don't know how to live without your love
I was born to make you happy
'Cause you're the only one within my heart
I was born to make you happy
Always and forever you and me
That's the way our life should be
I don't know how to live without your love
I was born to make you happy

Oh no
I was born to make you happy
Oh yeah, oh, oh
Always and forever you and me
That's the way our life should be
I don't know how to live without your love
I was born to make you happy
