Oh yeah

You don't have to say what's on your mind
'Cause I know where you've been
Give it up and leave it all behind
And then let me begin

(Come and hold my hand)
(Let me show how friends should be)
I will make it alright
(Let me make it clear)
(You can put your trust in me)
Yes I will be there

When you need someone
You just turn around and I will be there
When you're feeling low
Baby let me know and I will be there

Won't you let me make it up to you
Now you know where I am
There ain't nothin' that I wouldn't do
Just to love once again

(Come and hold my hand)
(Let me show how friends should be)
I will make it alright
(Let me make it clear)
(You can put your trust in me)
Yes I will be there

When you need someone
You just turn around and I will be there
When you're feeling low
Baby let me know and I will be there
I will be there

Just take a stand
I'll be here for you
Now and forever
Aaa aaa
Give one more chance

To show you how much I care
Aaa aaa
I'll be there

When you need someone
Just turn around
And I will be there
When you're in sorrow
Just let me know and I will be there

When you need someone
You just turn around
And I will be there
(I will be there)
When you're feeling low
Baby let me know
And I will be there
(I will be there)

I will be there
(I will be there)
(I will be there)
I will be there
