So he is all you need
I'm sayin' all on top of me
I say I'm tryin' to mean
So get your ecstasy
I know it ain't no remedy
You're addicted to my pussy
I'm the only vaccine
For you aeropostale code
My lust infectious
My lust infectious
My lust infectious
Gotcha beggin' for more
My lust infectious
My lust infectious

My lust infectious
Gotcha sweatin' for more
My stomachs' got him turnin' back
Got the bottle baby just relax
Watch me put on biggy C's
There's no shirt no panties
I know baby this ain't my train
Glad you make it shh on me
You know I'm gonna make it rain
So come and fill my heart with la-a-a-a-ove
