[Intro]

Uh, uh, uh
You like this?
Like how it feels?
Me and you?
That's what I thought...

[Rap]

I'm Britney Spears and I'm shakin' my ass
I sign a thousand autographs
Please, just get to the point when you talk to me
And if a favor gets involved, just rub my feet
Yeah, this business is fucked and I want somethin'
funner
I wanna sit at home and watch Dumb And Dumber
Sike! I take that back, I'm just trickin, you see
'Cause when I show my belly, everybody copies me

Yeah, it's kinda cool, not that they're cowards
But I'm just Britney Spears and I got all this power
But the bottom line is, I don't even use it
When you become a bitch, that's when you lose it!
So what if I do? What if I lose it all today?
I've always got my friends to hold me all the way

Happiness this is the key
And love when you fall
Like Lauren Hill said,
If you ain't got that,
got nothin at all, ya'll

[Outro]

So how you been?
It's been a while...
And it feels nice
And it feels nice, yeah....
So how you been?
It's been a while...
And it feels nice
And it feels nice, yeah....
