I wanna kiss you all over

Gimme that kiss  
Gimme that kiss  
Gimme that kiss  
Gimme that kiss

CHORUS

Bet you if I kiss you all over  
You won't want to get rid of feelin this, such a feelin  
Won't stop when you're kissing me  
Bet you if I kiss you all over  
You can tell that  
You'll be jealous  
We can have it  
Nothing's wrong with kissing me

Yes you knew that all I need everyday  
Just to keep my hands off you  
(If you, if you)  
Felt that y'all need to take a break  
She just wanna argue  
(If you, if you)  
Felt this way  
Can't let nobody know  
It's OK  
(If you, if you)  
Taste it  
I'll make sure you eat every crumb off the plate

I need to think about it  
Cause all your eyes are saying

That you wanna undress me  
She must not like to drink  
Cause if I was her  
I would sip on you all day  
I will see about it  
But then the problems bigger  
Than her, you, and me  
The boy I'm currently seeing is  
6 foot 3 and too possessive

CHORUS

(If you, if you)  
Drop the ball  
That might change everything I thought about you  
(If you, if you)  
You should  
Call this an affair  
My kiss might hurt you  
(If you, if you)  
(If you, if you)

I need think about it  
Cause all your eyes are saying  
That you wanna undress me  
I will see about it  
But then the problems bigger  
Than her, you, and me

CHORUS to the end
