French fingertips, Red lips
Bitch is dangerous
Cotton candy kiss
Can't wait for my sugar rush

Can't take it no more
I got to have more tonight
This feelings so strong
I'm putting you on tonight

(Alright! Let's Go!)

(Chorus:)
Baby take a seat, eyes on me,
this is my show
Your one and only pleasure
All decked in lace and leather
Fantasy, courtesy, on me
Baby let's go
Watch me apply the pressure
All decked in lace and leather

Heels 6-inch
Makes a boy want
to bite his lip
Look but don't touch
Unless you want
to lose your innocence

Can't take it no more
I got to have more tonight
This feelings so strong
I'm putting you on tonight

(Chorus x1)
(Chorus x2)
