Love is a state of grace
Transcending time and space
No other way I can describe
Insanely beautiful
It's almost mystical
Cause you're mine
And I can't believe that I feel
What I feel
Such a strange kind of ?real?
Love is a state of grace
Between you and I

Golden, broken
I didn't know
One touch could open
My body and soul
And we've just begun
Like the moon and sun
We fade to one

Love is a state of grace
Transcending time and space
No other way I can describe
Insanely beautiful
It's almost mystical

Cause you're mine
And I can't believe that I feel
What I feel
Such a strange kind of ?real?
Love is a state of grace
Between you and I

And the way
That we feel
Is a dream
That we know is real
Love is a state of grace
Love is a state of grace

Love is a state of grace
Transcending time and space

No other way I can describe
Insanely beautiful
It's almost mystical
Cause you're mine
Love is a state of grace
