It's a crazy little thing called mad love  
It goes something like this

Tangled up in you, uh  
Twisted like I've never been before  
I don't know what you do  
All I know is I want a little more

I don't care if the way that I act doesn't make much  
sense  
When you're near, something in me reacts and there's  
no  
defense  
I don't mind if everybody's saying that this ain't real  
All that matters is how this feels

I'm falling deeper, so fill up my cup  
Nothing tastes sweeter than mad love  
I know I should, but it's so good, I'm never gonna give  
it up  
'Cause nothing tastes sweeter than mad love  
Oh

I wanna take you in (Come here)  
A velvet rush is running through mad veins  
Like adrenaline, a kiss from you and I'm going so  
insane  
I don't mind if everybody's saying that this ain't real  
All that matters is how this feels

I'm falling deeper, so fill up my cup  
Nothing tastes sweeter than my love  
I know I should, but it's so good, I'm never gonna give  
it up  
'Cause nothing tastes sweeter than mad love

I'm falling deeper, so fill up my cup  
Nothing tastes sweeter than mad love  
I know I should, but it's so good, I'm never gonna give  
it up  
'Cause nothing tastes sweeter than mad love
