All the people in the crowd  
Grab a partner, take it down  
It's just me, its just me against the music, yeah

It's whipping my hair  
It's pulling my waist  
The sweat is dripping all over my face  
I'm the only one dancing up in this place  
To the beat of the drum, gotta give it that bass

I wanna get stupid  
Trying to take my music  
It's like a competition  
Where's the beat  
I wanna get in the zone  
I wanna get in the zone

If you really wanna party  
Send my love and get ya  
Really to hit, you could die  
In a minute, I'mma take-a ya on, imma take-a ya on  
Come on, yeah

All my people on the floor let me see you dance (hey)  
All my people up for more let me see you dance (hey)  
All my people, round and round let me see you dance  
(hey)  
All my people in the crowd, let me see you dance (hey)  
(Wont you let me got to show just take on the zone)  
Let's take on the zone, lets take on the zone (i  
Battle)  
(It's you and me baby and the music turns our body all  
night long) all night long

(We're almost there)  
I'm feeling it bad and I can't explain  
My hips all moving at a rapid pace(feel it burn)  
From the tip of my toes, running through my veins(and  
nows your turn)  
Let me see what ya got, don't hesitate

I wanna get stupid

Trying to take my music  
It's like a competition  
Where's the beat  
I wanna get in the zone  
I wanna get in the zone

If you really wanna party  
Set it up 'cause ya really  
Try to hit, you could die  
In a minute, imma take-a ya on, imma take-a ya on  
Hey, hey, hey (here we go)

All my people on the floor let me see you dance (hey)  
All my people up for more let me see you dance (hey)  
All my people, round and round let me see you dance  
(hey)  
All my people in the crowd, let me see you dance (hey)

Get on the floor  
Baby, lose control  
Just work your body  
And let it go  
If you wanna party  
Just grab somebody  
And baby we can dance all night

M-A-G-N-E-T MAD

Take a drop and rock it

All my people in the crowd  
Grab a partner, take it down  
All my people  
All my people  
Grab a partner, take it down

Get on the floor  
Baby, lose control  
Just work your body  
And let it go  
If you wanna party  
Just grab somebody  
Hey baby we can dance all night (dance all night)

All my people on the floor let me see you dance (hey)  
All my people up for more let me see you dance (hey)  
All my people, round and round let me see you dance  
(hey)  
All my people in the crowd let me see you dance (hey)  
All my people in the crowd, grab a partner take it down  
All my people

All my people  
Grab a partner, take it down
