I wanna see you move  
Can you turn me up a little bit more  
Do you like it  
Huh

My loneliness is killing me and I,  
I must confess i still believe,  
When I'm not with you I lose my mind,  
Give me a sign,  
Hit me baby one more time

Oh baby baby, oh baby baby

CRAZY!

You drive me crazy I just cant sleep,  
I'm so excited I'm in too deep,  
Oh oh oh crazy but it feels alright,  
Baby thinking of you keeps me up all night

Get it Get it, Get it Get it,  
Oh Get it Get it, Get it Get it,  
Oh Get it Get it, Get it Get it

I'm a slave for you,  
I cannot hold it,  
I cannot controll it,  
I'm a slave for you,  
I wont deny it,  
I'm not trying to hide.

Yeah! Baby baby baby baby baby baby

Oops oops oops oops oops oops oops

yeah yeah yeah yeah yeah yeah yeah yeah  
yeah yeah yeah yeah yeah yeah yeah x2

Oops I did it again,  
I played with your heart,  
Got lost in the game,  
Oh baby baby,

Oops you think I'm in love,  
Got sent from above,  
I'm not that innocent.

But now I'm stronger,  
Than yesterday,  
Now it nothin' but my way,  
My loneliness ain't killing me no more,  
I, I stronger!

Stop!

Everytime I try to fly I fall,  
Without my wings,  
I feel so small,  
I guess I need you baby,  
And everytime I see you in my dreams,  
I see your face it's haunting me,  
I guess I need you baby.

What am I to do with my life  
(You will find it out, don't worry)  
How am I supposed to know what's right?  
(You just gotta do it your way)  
I can't help the way I feel  
But my life has been  
So overprotected

I wanna see you move!

With a taste of your lips  
I'm on a ride  
Your toxic, I'm slipping under  
With a taste of poison paradise,  
I'm addicted to you  
Don't you know that your toxic  
And I love what you doin'  
Don't you know that your toxic
