(I just wanna go crazy)

I'm about to go crazy again!

You only wanna get into my head

Why don't you wanna get close
instead

Wanna knock me off my feet?

What's a girl bring the heat?

Don't forget to paint the town

I know you wanna play my
sound.

Don't try to be too tough,

Don't take this out of context

But when it comes to bein' the best

There ain't no contest

You should know by now my
name's anonymous

With all the hottest hits

I keep 'em breathless

It's endless (uh)

Boy, relentless

People pay me compliments

boosting up my confidence

all it takes...

Money, love and happiness
