Early mornin'Â'
Great
I was out real late last night
Got a little messy
Early morning
Can'Â't be like that anymore
No

I was shaking my ass in the streets alone and
Just walked in and it'Â's early mornin'
Bump, bump till the break of dawn
And it don'Â't stop till the early mornin'
Passed out on the couch and yawnin'
Just walked in and it'Â's early mornin'
Bump, bump till the break of dawn
And it don'Â't stop till the early mornin'

Met a tall dude, kinda dark hair
When he walked up somebody grabbed him
But I liked him told him come here
Kinda cool
Baby, we can make plans
Where ya live
Do ya mama live there
We can hook up at the hotel
Hands down so I told him, let'Â's go
But have a next guess
But you don'Â't wanna know

I was shaking my ass in the streets alone and
Just walked in and it'Â's early mornin'
Bump, bump till the break of dawn
And it don'Â't stop till the early mornin'
Passed out on the couch and yawnin'
Just walked in and it'Â's early mornin'
Bump, bump till the break of dawn
And it don'Â't stop till the early mornin'

Oh, in love
So I approached him
We gotta give him his friends
There'Â's something 'Â'bout him that shows

So I said, what the hell, let's go
Got up, got on the dance floor
Hooked up with a guy named Joe
When the music was fast and slow
But have a next guess
But you don't wanna know

I was shaking my ass in the streets alone and
Just walked in and it's early mornin'
Bump, bump till the break of dawn
And it don't stop till the early mornin'
Passed out on the couch and yawnin'
Just walked in and it's early mornin'
Bump, bump till the break of dawn
And it don't stop till the early mornin'

Call all your boys
Call all your girls
Call all your friends
Let's do it again
Let's do it again

Yes
Early morning
Yes
Can't keep doin' this

I light your fire
Your one desire
Pull on me, baby
And I'll take you higher

You should try her
So come over here and let's go so (woah woah)

Il was shaking my ass in the streets alone and
Just walked in and it's early mornin'
Bump, bump till the break of dawn
And it don't stop till the early mornin'
Passed out on the couch and yawnin'
Just walked in and it's early mornin'
Bump, bump till the break of dawn
And it don't stop till the early mornin'

Call all your boys
Call all your girls
Call all your friends
Let's do it again
Let's do it

Early mornin'

Early mornin'Â'
