Tiny hands, yes that's you
And all you show, it's simply true
I smell your breath,
It makes me cry
I wonder how,
I've lived my life

[Chorus:]

'Cause without you,
How did I get through
All of my days, without you?
Now living with you,
See everything's true
My baby it's you
My baby, my baby, my baby

With no words at all,
So tiny and small

In love I fall,
So deep, so deep
My precious love,
Sent from above
My baby boo,
God I thank you, God I thank you

(Chorus)

'Cause without you,
How did I get through
(How'd I get through)
All of my days, without you?
Now living with you,
See everything's true
My baby it's you
(My baby it's you)
My baby, my baby, my baby
