All my people over here
(All my people over here)
All my people over there
(All my people over there)
Grab a partner. . .
AND DANCE!

Dance
Dance

I've had a feeling to fight for so long
It kept going on like an awful song
All my friends, they say "Just get over him"
Up 'till now that's been so hard
But see I been watching you
I'd like you to teach me the way you move
Been down for so long
But now I'm up. . .
And on the floor!

(Pre-Chorus)
Just grab somebody
And move your body
Don't gotta be naughty
Just turn out the party
If you're feeling somebody
Gotta work your body
Gotta twerk your body
And they'll notice you

(Chorus)
This is my jam, this is my song
Gonna dance to my song all night long
Gotta have some fun
Dance until the sun
There's people to be won
Gonna have some fun
This is my jam, this is my song
Gonna dance to my song all night long
Gotta have some fun

Dance until the sun

There's people to be won
Gonna have some fun

Now we've been dancing for a little bit
But I'd like to get to know you
You seem just right
You're out of sight
You're Mr. Right
Let's talk some more

(Repeat Pre-Chorus)

(Repeat Chorus)

You're Mr. Right
You're outta sight
You seem just right
My emotions won't fight
I wanted to party
I grabbed somebody
I grabbed the right one
I grabbed you!

(Repeat Chorus)

(Repeat Pre-Chorus)

(Repeat Chorus)

They'll notice you
They'll notice you
Don't pay no dues
They'll notice you
