I'm dreaming of one kiss from you  
A love long and true  
We'll go on and on andÂ...

I don't wanna hear that I'm too young  
To know it's love that makes me feel this way  
'Cause I don't have to feel the heat of the sun  
To know it's shining on me every day  
When it's warm outside  
And the look in your eyes  
Is longing to show me the way  
I don't want to wait

*[CHORUS:]*

Just one kiss from you, and suddenly  
I see the road laid out in front of me  
You give me strength, you give me hope  
And when you hold me in your arms  
You make me whole  
And I don't know just what I would do

Without one kiss from you

I don't wanna hear my time will come  
When it feels like it's already here  
We should learn to walk before we run  
But why go anywhere when you're so near  
'Cause when I reach out to you  
So sad and confused  
And feeling like I could cry  
You dry my eyes

*[Repeat CHORUS]*

I'm dreaming of one kiss from you  
A love long and true  
We'll go on and on andÂ...  
I'm looking for one kiss goodnight  
To last all my life  
On and on andÂ...

*[Repeat CHORUS]*

I'm looking for one kiss goodnight  
To last all my life
